

The purpose of the event is to support the Pete Nance Boys & Girls Club while providing businesses and community organizations an opportunity to promote what they offer to the Lake Oconee community. This is a fun-filled day that is free to attend. Here are ways to support the event:

1

Sponsorship (many perks including tickets to the A1A Friday night part at Oconee Brewery, VIP parking, admission to VIP tent, free exhibitor space, and inclusion in promotional advertising).

2

Exhibitor - promote your business or organization - last year over 800 attended and with the success and improvements made for this year we expect at least double the attendance)

3

Donate goods or services for the silent auction at the A1A Friday event or for prizes for the classic car show or local bbq contest.

4

Attend the event and enjoy the music, the food, and the community involvement!
